1. Versions

The behavior of the IR remote pairing buttons was improved.

- _ If one of the buttons is held down, the remote control used to send a signal for 5 seconds, now the remote control sends a signal for 30 seconds.

The new version of the IR6+ remote control is marked with an “A” on the product label, which makes it distinguishable from the previous version.

REMOTECONTROL IR6+

Before	After
 <p>The 'Before' label is a dark rectangle with white text. It contains the TRIDONIC logo, company address, product name 'REMOTECONTROL IR6+', and article number 'Art. No. 28004415'. A crossed-out trash can icon is in the bottom right corner.</p>	 <p>The 'After' label is identical to the 'Before' label but includes a red square box with the letter 'A' in the top right corner.</p>
